Timberlake Adds Painted Harbor Finish in September 2017

June 13, 2017

Timberlake will introduce the Painted Harbor finish on September 5, 2017.

BACKGROUND

Painted cabinetry is now the number one finish category, with off-white colors featuring gray tones increasing in popularity. In response, Timberlake will expand the existing painted finish palette with the addition of Painted Harbor.

SPECIFICATIONS

Painted Harbor, a soft gray painted finish, will be available on the following door styles:
