Timberlake Adds Painted Ember Glaze Finish in September 2017

June 14, 2017

Timberlake will introduce the Painted Ember Glaze finish on September 5, 2017.

BACKGROUND

Painted cabinetry is now the number one finish category, with off-white colors featuring various gray tones increasing in popularity. Responding to these market trends, Timberlake will expand the existing painted finish palette with the addition of Painted Ember Glaze to many Portfolio Select® and Portfolio® collections.
